Spring 2008	\$50,940
Fall 2007	\$48,998

CO-OP/ Internship Salaries for Civil Engineers at Virginia Tech
Compiled by Career Services, as of Fall 2007, updated each Fall Semester

Salaries are for students registered in the Career Services Co-op/ Internship Program

(does not include salaries for students who work but do not register with our program).

- **Strictly for first work terms** (increases are typically paid for second, third, etc., work terms for multi-work-term assignments);
- **Based on hourly rate** (converted from salaries paid by monthly or annual rates);
- **Not including other benefits**, housing allowances, etc., which some employers provide;
- Data for three semesters: Spring, Summer, and Fall of given year.

		Minimum	Maximum	Mean
Civil and Environmental Engineering	2007	not enough students to report		\$16.90
	2006	\$10.00	\$17.00	\$13.16
