General Information about Checksheet: Superscripted annotation [F,S,SI,SII] in Credits column indicates that a CEE course is known to be offered in terms other than when shown. Course offerings are subject to change and the availability of sufficient resources. CEE Advanced courses may not be offered each academic term. Students must confirm course offerings in advance with their CEE Advisor. **A C- or better grade is required in any course that is a prerequisite for a CEE course.** The notation (C-) shown in the freshman year is provided for advising purposes only and means that CEE requires a grade of C- or better in that course. This notation is not shown in subsequent years; therefore, students must verify prerequisites when making their academic plan.

Curriculum for Liberal Education (CLE)

Consult the CLE Alphabetical Listing at: <http://www.cle.prov.vt.edu/guides/alpha.html>, CLE courses need to be completed prior to graduation.

CLE Area 1: Writing and Discourse (6 hrs)	ENGL 1105	(3)	ENGL 1106	(3)
CLE Area 2: Ideas, Cultural Traditions, Values (6 hrs)		(3)		(3)

CLE Area 6: Creativity & Aesthetic Experience (1 hr)				(1)

CLE Area 7: Global Issues (3 hrs) **may be satisfied by CEE 3104 or CEE 4554. If neither course is taken, an additional three credit course from CLE Area 7 may be needed (3).**

Electives: The CEE department requires 3 credits of **Science and Engineering Electives**, 20 credits of **Fundamental Electives**, 12 credits of **Advanced Electives**, 3 additional credits of either a Fundamental or Advanced elective, and 12 credits of **Additional Electives** as follows:

Science and Engineering Electives – 3 credits. Select from the following: BIOL 1005 or 1006; CHEM 1036; ENSC 3604; GEOG 1514; GEOG 2084; GEOS/GEOG 4354; GEOS 3104; GEOS 3304; CS 1044; CS 1064; ECE 1574; ESM 2304; ESM 3054; BSE 4344.

CEE Fundamental & Advanced Technical Electives – 35 credits. CEE electives have been arranged to provide adequate breadth and depth of knowledge in CEE and specialty areas of interest. Thirty-five credits of CEE courses must be selected such that the following four criteria are met:

1. Complete 6 of the 8 Fundamental courses shown in the table below, at least two of which must have a lab.
2. Complete 1 Advanced course in 3 of the 6 specialty areas in which fundamental courses were selected in (1). C- policy applies.
3. Complete an additional advanced course in 1 of the 3 specialty areas in which advanced courses were selected in (2). C- policy applies.
4. Complete one additional course from either the Fundamental or Advanced category. C- policy applies.
5. Within the choices above, complete at least one design project course: **CEE 3434*, 4014, 4104, 4274, 4334, 4544, 4654, or 4664.**

- (3) _____ Non-CEE elective at any level (3) _____ Elective in CEE or any other department, 3000 level or higher
- (3) _____ Non-CEE elective 3000 or higher (3) _____ Free elective in CEE or any other department at any level

Change of Major Requirements: Please see <http://www.enge.vt.edu/undergraduate-changing-majors.html>

Foreign Language Requirements: Students must have had two years of a foreign language in high school or one year at the college level (6 credit hours) of the same language. College-level credits used to meet this requirement do not count towards the degree.

Satisfactory Progress Towards Degree: University Policy 91 outlines university-wide minimum criteria to determine if students are making satisfactory progress towards the completion of their degrees. The CEE Department fully supports this policy. Specific expectations for satisfactory progress for Civil Engineering majors are as follows:

- Each student must meet the minimum University-wide criteria as described in Policy 91 and summarized in the Undergraduate Catalog (<http://www.undergradcatalog.registrar.vt.edu>)
- A 2.5 overall GPA and a 2.5 in-major GPA must be maintained for continued enrollment in CEE. The in-major GPA consists of all courses taken under the CEE designation.

Statement of Hidden Prerequisites: Pre-requisites for each course are listed after the course title. There are no hidden pre-requisites in the program of study. Prerequisites may change from what is indicated. Consult the University Catalog or check with your advisor for the most current pre-requisites.

Graduation Requirements: Students must pass all required courses and both the in-major and overall GPA must be at least 2.0 for graduation. The in-major GPA consists of all courses taken under the CEE designation.

Additional Checksheet Comments: Displayed course offerings are subject to sufficient resources. Courses are taught in the term in which they appear on the checksheet. CEE Fundamentals courses are typically taught each fall and spring term, whereas CEE Advanced courses may not be offered each academic term. Consult the CEE course listing and your departmental advisor for updates.
